**Subject:** Reminder - Portland Harbor Managers conference call - April 25 1:30  
**Date:** 04/24/2007 02:42 PM

---

Just a reminder that there is a meeting tomorrow from 1:30 - 3:30 to continue discussions on the path forward for resolving the Round 2 Report issues and reaching agreement on the Round 3B data gaps. I don't have a specific agenda available at this time.

For those in Portland, I have reserved room 1912 at Schwabe.

Jim,

At my request we were attempting to start the PH Managers Meeting a bit early so that I could attend an internal Port meeting at 2:30. I have successfully extricated myself from having to attend the Port meeting, so I think we can start the PH Managers meeting later in the afternoon (which sounds like the best fit for everyone).

Valerie, can we reschedule the start of the PH Mgrs meeting to 1:30, which will provide Jim and Matt time to attend the lunch-time brown bag.  
Jim.

Valerie,  
Jeremy Buck (USFW) & Nancy Munn (NMFS) are putting on a 1-hr brown bag talk Wed 4/25 starting at noon in DEQ's NW Region office. Both Matt & I would like to attend that brown bag. I think it's critical that Jim McK attend as much of next week's PH Mgr mtg as possible. If your proposed schedule is the best we can do, Matt & I will pass on the brown bag to attend the PH Mgr mtg..., but I'll ask you to talk to Jim & Bob & see if we can delay the start time on Wed or find a time Thurs.

Thanks

James M. Anderson

Hi all -

During the call this morning it was agreed that another meeting should be held next week. After checking the LWG calendar, I'd like to propose that the meeting start at 12:30 on Wednesday, April 25. I'll look into finding a meeting room for those that are available in Portland that day. I'm holding at least 2 hours for this meeting, although Jim McKenna has indicated he will need to leave before 2pm.

cheers  
valerie

Hi all -

At the PH Manager's meeting last Wednesday, it was agreed that the group would convene via conference call on Wednesday, April 18 to have additional discussion on the Round 2 Report issues list provided by EPA on April 10, and talk about the path forward. The call will last approximately 1 hour. Additional meetings may be scheduled.
